

Mathematical Contest in Modelling

Can the 'sweet spot' on a baseball bat be explained?

Can criminals be caught with a geographical profile?

- ▶ Find out if a career in mathematical modelling is for you.
- ▶ Test your problem-solving skills on some real-world problems.
- ▶ Develop team work skills.
- ▶ Strengthen your CV.
- ▶ Have fun.

Students interest in participating should contact William Lee
(william.lee@ul.ie).

The international contest will take place on February 10 - 14, 2011.
Training sessions will be held at 6pm Friday 4th Febuary and 6pm
Tuesday 8th Febuary.
